IDAHO DEPARTMENT OF WATER RESOURCES
Water Right Report 25-7418

Remarks:Comments:

1. dcarlson 5/11/2004 Field Report Narrative

Comment: 6 wells/pump to homes under the Falls Water company service area. They are considered a Municipal provider and the nature of use for this water right will be municipal.

capacity of the system is over 11 cfs. Each well was measured by the Eastern Groundwater measurement district.

2. kwalker 6/8/2004 License Review

Comment: Confirmed that Falls Water Co. is authorized to do business in Idaho per Secretary of States office this day. Have a call in to DEQ to verify that Falls Water Co. has a PWS number and are qualified as a public water supply provider. Removed limitation on rate of diversion when combined with Licenses 25-7191 and 25-7148 because the 3 rights when combined do not exceed capacity of 12.20 cfs found to be diverted. Also did not include remark showing other rights diverted at these points of diversion since those rights are only claims at this time. See p/d overlap search in file. Also limiting this right with a volume amount since use was originally domestic and irrigation. The rate x 1.9835 x 365 days/year = 723.98 rounds up to 724.0 afa which is less than the amounts that would be applied if figured domestic and irrigation uses independently.

3. kwalker 6/9/2004 DEQ compliance

Comment: Willie Teuscher of DEQ in Idaho Falls called me this morning. He said that Falls Water Company is under their jurisdiction and they are in compliance. The PWS number for Falls Water Company is 7100030.

Bonneville County, Idaho

May 3, 1974

A regular meeting of the Board of County Commissioners of Bonneville County, Idaho, was held on Friday, the 3rd day of May, 1974, at the hour of 10:00 o'clock a.m. at the Courthouse, Commission Chambers, being the regular meeting place of said Commission, at which meeting there were present and answering roll call the following members, who constituted a quorum:

Orval Forbes

Chairman

Artell Sutter

Member

Also present

Keith Long

County Clerk

Seward French

Attorney

Absent

Leo R. Clawson

Thereupon, the following proceedings were duly had and taken.

The County Clerk notified the County Commission that the Notice of Intention to construct local improvements along certain streets and to create Local Improvement District No. 1 for the purpose of making the improvements, authorized by the Resolution adopted by the County Commission on the 18th day of April, 1974, had been duly published in The Post Register and that the affidavit of publication of said Notice of Intention was duly filed in his office.

The County Clerk stated that he had filed in his office his affidavit to the effect that on the 23rd day of April, 1974, he deposited in the United States Mail, postage prepaid, envelopes addressed to each owner of property, if known,

within the limits of said proposed Local Improvement District No. 1 for Bonneville County, Idaho, addressed to such person at his post office address, if known or if unknown, to the post office in Idaho Falls, Idaho, and that in each of said envelopes was contained, when mailed, a true and correct copy of said Notice of Intention.

The County Clerk then presented his affidavit stating that no written protests against the creation of said Local Improvement District No. 1 and the making of the proposed improvements therein were received by him or in his office by 4:30 o'clock p.m. on May 2, 1974.

The total number of protests so filed was none, which represents protests from owners of zero % of the abutting, adjoining, contiguous, and adjacent lots and lands within the proposed improvement district and is less than two-thirds of such lots and lands within such proposed district.

The County Commission then considered each and every written protest so filed and heard each and every person who wished to be heard in protest against the creation of said District and the construction of the proposed improvements therein.

After the consideration of such written protests and the statements of those persons heard, as aforesaid, it was moved by Commissioner Suitter and seconded by Commissioner Forbes that there being no protests the Commission enact an ordinance providing for the improvements and creating a local improvement district as referred to and described in the said Notice of Intention to be called Local Improvement District No. 1 for Bonneville County, Idaho.

The motion was thereupon put to a vote and adopted on the following recorded vote:

Those voting AYE:

Orval Forbes

Artell Suitter

Those voting NAY:

None

It appearing that more than a majority of the Commission had voted in favor of the motion, the Chairman thereupon declared the motion adopted. Thereupon, the following ordinance was introduced in written form by Commissioner Sutter, and was read by title. Commissioner Sutter moved that the rule requiring the reading of the ordinance three different days be dispensed with and that the ordinance be read in full and at length and placed upon its final passage. The motion was adopted by the vote of the full Commission, to-wit:

AYE:

Orval Forbes

Artell Sutter

The ordinance was thereupon read in full and at length, after which, pursuant to motion made by Commissioner Sutter and seconded by Commissioner Forbes, the ordinance was adopted by the following vote:

There appearing to be the concurrence of all members of the Commission present, the Chairman declared the ordinance adopted. The ordinance was thereupon signed by the Chairman in open meeting, was attested by the County Clerk and was ordered recorded in the official records of the County. The ordinance is as follows:
