All three places were all old
Home Steads early in the 1900s.
I was born in 1919 and I remember
the Levi Barge home and the apple
tree they would water.
They had two canyons to draw
water from. They would have hay
for their stock. They had a spring
in each canyon - dam - they would
water hay garden + orchard out of
these dams. I purchased it from my father
about 1943.
