RE: CHANGE IN ADDRESS *A25-07035*

Dear Ms. Fowler:

Your Eastern Water Measurement District bill was recently returned to our office because there was an old address on file. I have updated my records with information obtained from the phone book, but my original information came from the records of the Snake River Basin Adjudication (SRBA).

I have enclosed the change of address form the SRBA uses to change their records. I recommend that you complete this form and return it to Jo Thompson, Department of Water Resources, 900 N Skyline Dr.; Idaho Falls , ID 83402, so that all future correspondence regarding your water right is mailed to the correct address.

Please do not hesitate to contact this office if you have any questions regarding this matter (525-7161).

Respectfully submitted,

Wendy Murphy
Administrative Assistant
