RE: City of Idaho Falls

Dear Mr. Carlson:

We are enclosing with this letter the thirteen Notices of Claim that you recently returned to our office together with the check from the City of Idaho Falls No. 005212 in the amount of \$676.00 and our check in the amount of \$101.00 for the additional filing fee. Although we are paying the additional filing fee per your request, we still fail to see a meaningful distinction between the uses being made by the City of Idaho Falls under these claims and either a residence domestic use or that use made at a public campground.

You also indicated in your letter that you were enclosing a copy of day to day working instructions used by Department staff for determining filing fees associated with notices for domestic and stockwater uses. Somehow we have been unable to find that document with the materials enclosed with your letter. We would like to have a copy and would appreciate it if, at your convenience, you would furnish us with one.

Yours very truly,

Kent W. Foster

RE: City of Idaho Falls

Dear Mr. Foster:

The Department is returning check 005212 and 13 Notices of Claim from the City of Idaho Falls because of insufficient filing fees. Below is an itemized list of the Notices and the fee for each based on information provided with the Notices and our understanding of the statutes.

For your convenience, also enclosed is a copy of day to day working instructions used by Department staff for determining filing fees associated with notices for domestic and stockwater uses.

One of the criteria for domestic use is that the water be used in a family residence(s) or public campground. In those situations where a city operates a well to provide culinary water not associated with a residence or campground, the Department has historically classified the nature of use as Municipal. Those notices we feel this situation applies to are identified below. You may wish to leave Domestic as the nature of use for these notices, however, they do not appear to qualify for the \$25.00 filing fee and consequently fall within the \$50.00 filing fee category, plus a variable fee of \$100.00/ cfs.

A25-07044	64.00	Municipal
A25-07299	303.00	
A25-13062	25.00

Please return the notice with the appropriate filing fee within 30 days of the date of this letter to avoid assessment of a late fee. Naturally, if there are questions concerning the above feel free to contact me.
