RE: 25-13761

I talked with Jerry Simonson, manager at Jefferson Hills this morning regarding his notice of error reply. I explained that I would remove Virginia Kinghorn from the contact list since she is no longer associated with Jefferson Hills. I also explained that I would not be able to change his recommendation regarding the additional uses of water because I did not have sufficient evidence in the file to do so. I explained that he had licensed right 25-7456 to cover the uses he was concerned about. He seemed satisfied.

Jonny Jimenez, manager at Jeffersonville
called today regarding FOP letter which was
recently sent. He said that there were 3 wells
on the property, but now there are only 2.
License 25-7460 is used for managing the
well course and license 25-7456 is used
for the clubhouse.

Jonny believes that the claim (25-13761)
is for a domestic well that was on the
property but has since been "covered
over." He believes it was last used over
10 years ago. He said at one time they were
considering renting out the house.

25-7456 is for clubhouse and
the claim is for property. Well
course built in 1970 per internet
search.
