I grant to my agent full power and authority to do everything necessary in exercising any of the powers herein granted as fully as I might or could do if personally present and fully competent, hereby ratifying and confirming all that my agent shall lawfully do or cause to be done by virtue of this power of attorney and the powers herein granted.

1. General Grant of Power.

My agent shall have power to exercise or perform any act, power, duty, right or obligation whatsoever that I now have or may hereafter acquire, relating to any person, matter, transaction or property, real or personal, tangible or intangible, now owned or hereafter acquired by me, including, without limitation, the powers specifically enumerated in this instrument. 2. Specific Powers.

Without in any way limiting the generality of the power and authority conferred upon my agent by this instrument, my agent shall have and may exercise each of the following specific powers:

(a) Power to Acquire and Sell. To acquire, purchase, exchange, grant options to sell, assign, release, convey, mortgage, hypothecate, lease and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures, agreements, mortgages, deeds of trust, bills of sale, security agreements and related forms, exchange agreements, bills, bonds, notes, receipts, releases and satisfactions of mortgages, security interests and judgments and such other instruments in writing as shall be proper.

(b) Borrowing and Banking Powers. To borrow moneys on my behalf and to sign, seal, execute, deliver and acknowledge on my behalf such promissory notes, bills, bonds, or other evidence of indebtedness and such mortgages, deeds of trust, security agreements, pledges, or other documents to secure the payment of borrowed funds as my agent shall deem proper. To make, receive and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations and other financial institutions, and to release such mortgages, deeds of trust, or other security instruments as may be necessary or proper in the exercise of the rights and powers herein granted.

(c) Powers of Collection and Payment. To forgive, request, demand, sue for, recover, collect, receive and hold all sums of money, debts, dues, commercial paper, checks, drafts, accounts, deposits, legacies, bequests, devises, notes,

interests, stock certificates, bonds, dividends, certificates of deposit, annuities, pension, profit sharing, retirement, social security, medicare, insurance, and other contractual benefits and proceeds, all documents of title, all property and property rights, real or personal, intangible and tangible, and demands whatsoever, liquidated or unliquidated, now or hereafter owned by, or due, owing, payable or belonging to me, or in which I have or may hereafter acquire an interest; to have, use, and take all lawful means and equitable and legal remedies and proceedings in my name and for the collection and recovery thereof including the enforcement of mortgages, deeds of trust and security instruments, and to adjust, sell, compromise, and agree for the same, and to execute and deliver for me, on my behalf, and in my name, all endorsements, releases, receipts or other sufficient discharges for the same. Dear Claimant (s):

The Notice(s) of Claim to a water right identified in the attached proof report(s) has been filed in the Snake River Basin Adjudication (SRBA). The Notice of Claim indicates water usage is based upon "Beneficial Use". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed, at or on the place of use identified on the Claim. The date the water was first put to beneficial use, known as the priority date, has not been confirmed by License, Decree, or Permit. For this reason, proof must be provided supporting your claimed priority date. **As the claimant, you are responsible for submitting the necessary proof to support the priority date.**

It is important that each element of the Notice of Claim be verified. For instance, regarding claims for irrigation, the evidence should show that diversion works were in place, that they were capable of diverting the claimed diversion rate, and that the diverted water was beneficially used on the entire claimed place of use on or before the claimed priority date.

For your reference, enclosed is a printout of your Notice of Claim to Water Right and the pamphlet entitled "**Evidence of Priority**". The pamphlet describes the types of evidence required and suggests which documents may fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some Examples of Documents Which May Be Evidence of the Priority Date**".

It is our goal to recommend historical water rights within the Snake River Basin as accurately as possible. Field exams to verify other elements of the Notice of Claim have been or are currently being conducted by Department personnel.

.....
The Department will not recommend the Notice of Claim be decreed by the court if evidence of a priority date is not submitted. The Notice of Claim will be disallowed.
