INSTRUCTIONS FOR FILING
NOTICE OF CHANGE IN WATER RIGHT OWNERSHIP

This form has been prepared to assist all claimants and owners of water rights to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. All claimants and owners of water rights are required to notify the Department of Water Resources (IDWR) of any change in mailing address or change in ownership of all or part of a water right. In addition, all purchasers of water rights within a pending general adjudication area must inquire whether a notice of claim has been filed and, if not, shall file a notice of claim if necessary.

Effective July 1, 2000, the Idaho Legislature amended Section 42-248, Idaho Code to include a provision for fees to file a Notice of Change in Water Right Ownership. Please see details at Item 8, below, to determine if fees are required for your filing.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter the number(s) at Item 1. Corresponding water right and adjudication claim numbers should be listed next to each other on the form. You may have purchased only a portion of the water right(s) held by the seller. If so, the water right(s) held by the seller may need to be "split" to provide you your share of each right. Indicate if a split is required by checking in the space provided next to each water right.

If you receive water from a municipal provider, an irrigation district or other water delivery organization, where the water rights are held by the organization, please do not use this form to record a change. You may need to contact the water delivery organization to determine if any action is necessary.

If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If adjudication claims for the rights are required and have not been filed, IDWR will so advise you.

2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner/claimant(s) of the water right(s) at Item 3.
4. The name, mailing address, and telephone numbers of the new owner/claimant(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or", or "and/or." If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign; however, only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
