Dear Sir:

In response to the Notices of Error submitted after the initial mailing of the Preliminary Director's Reports in June 2005, enclosed for your records are the revised Preliminary Director's Reports for the above listed water rights and a map of the canals service area. The Department expects to submit to the Snake River Basin Adjudication Court all recommendations for the Blackfoot Drainage, Basin 27, in November 2005. At that time you will receive a Director's Report for each of your water rights, which should mirror each of the revised preliminary recommendations.

Naturally if you have questions please call me at the above phone number.

Re: (5) Notice of Errors Reply

Dear Ernie:

Pursuant to our discussion, I am submitting the irrigation company's reply to the five disallowed water rights. The basis of our response is that these rights are deeded to the irrigation company. In addition, they have always been utilized and are currently being utilized by the irrigation company, since its creation.

Thank you for taking the time to talk with myself and Neil Hepworth.

If you need anything else, or have any questions, please feel free to contact either myself or Neil. Thank you.

Very truly yours,

Scott D. Stufflebeam
