RE: Palouse River Basin Adjudication (PRBA) Claim
Identification Numbers Assigned 87-7089A, 87-10982

Dear Ms. Germen:

Enclosed for your records is a computer generated copy of your PRBA claim 87-10982 for domestic use from a well. Please reference this number in any future inquiries or correspondence.

Also enclosed is claim 87-7089A requiring your review and signature. When I was entering the claims into IDWR's database, I discovered that the claim now identified as 87-7089A did not include a priority date. In order for the claim to be complete, it needs a priority date. Based on the comments referencing water right 87-7089A, I have taken the liberty to fill in the missing priority date using the priority date on license 87-7089A. Please review the enclosed claim and make any changes you wish. When satisfied, sign the claim and return it to this office.

Please do not hesitate to contact us if you have any questions. You may also query our website for documents related to your claim by using your claim identification number to conduct a Water Right & Adjudication Search at this link:
