RE: Revised Preliminary Director's Report for 27-7017

Dear Mr. Fielding:

Thank you for taking the time to return the Notice of Error Reply for 27-7017. In response to the information you provided on this form and our telephone conversation on August 23, 2005 enclosed is a new version of the Preliminary Director's Reports (PDR) for water right 27-7017 with the associated layout.

The new PDR reflects the changes you requested listing you as the claimant and moving acreage from the SESE Sec1 to the NWSE Sec1 while showing a total of 281 irrigated acres as authorized by the water right license. To see the shape of the place of use refer to the layout.

After reviewing the new version of the PDR please complete the Notice of Error Reply and return it to this office. Naturally if you have questions feel free to contact me at 525-7161.

Respectfully Submitted,

Ernest Carlsen
Water Rights Supervisor
