Kristen, Cindy would like 27-11248 renumbered to 27-7011. Go ahead and generate a new claim using 27-7011 as the number then make the necessary changes so it is consistent with 27-11248. Then change the status in 27-11248 to "see remarks" and add a remark saying the claim has been renumbered to 27-7011. When done insert reports into this email and forward to Cindy Bird.

Dear Claimant in the Snake River Basin Adjudication (SRBA):

About 13 years ago you or your predecessor filed with the Idaho Department of Water Resources a claim to water right in the Snake River Basin. The investigation phase of this process is now focused on your area, Basin 27.

You are invited to attend a **public meeting to be held on March 11 at 7:00 p.m. in the Eastern Idaho State Fairgrounds, Needle Craft Building, at the corner of Park and Maple streets.** The purpose of this meeting is for (1) the Department to update you on how the adjudication process works, and (2) for you, the claimant, to express concerns or discuss problems relating to water delivery in your area. This will help us to understand from an historical perspective the use and delivery of your water right.

Throughout this summer our adjudication staff, primarily from our Eastern Regional Office but also at times from Boise, will be contacting various water users in Basin 27. We ask for your cooperation in this process – the better we understand your water rights the better chance of you receiving an accurate decree from the SRBA Court that fully describes your water rights.

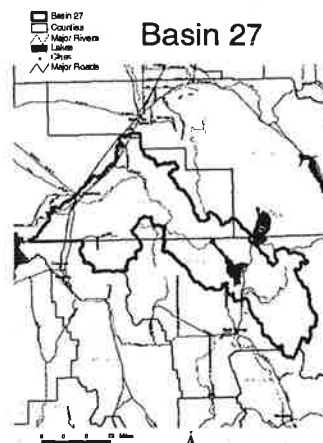

This investigation effort is being conducted by an experienced and successful staff. During recent years, this staff has accurately investigated and reported water rights in neighboring basins including the Big Lost River, the Little Lost River, Birch Creek, Camas Creek and the Portneuf River.

Please contact the Idaho Falls Office with any questions.

Sincerely,

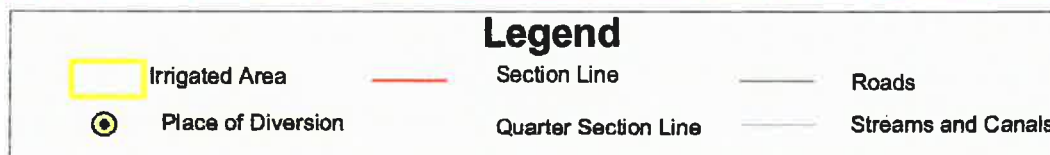

Ernest Carlsen
Adjudication Supervisor, Eastern Region

RE: Notice of Water Right Claim A27-11248 (originally
27-07011)

Dear Mr. Cook:

The Idaho Department of Water Resources (IDWR) is currently reviewing Notices of Claim to a Water Right submitted for the Snake River Basin Adjudication. The initial review has uncovered some discrepancies with the notice you submitted June 1, 1989, based on License 27-07011 (see enclosed copy).

Idaho Supreme Potatoes, Inc., also submitted a Notice of Claim based on the same license for the same property on March 14, 1989 (see enclosed copy). Only one Notice of Claim based on the license for the described property should be filed.

If there has been some confusion as to who was responsible for filing the Notice of Claim, you may request a withdrawal and refund of the notice you previously submitted. To withdraw the notice, please indicate whether you wish to request a refund and sign on the enclosed "Request for Withdrawal of Claim" form. Return the completed form to the Department of Water Resources (IDWR) as soon as possible.

If you do not wish to withdraw the notice, the acreage listed in Item #10 must be adjusted to agree with License 27-7011. If the acreage has been expanded since the license was issued, you may submit an additional Notice of Claim for the additional acreage. The priority date for the additional notice would be the date the acreage was expanded. The fee for the additional notice would be \$50.00.

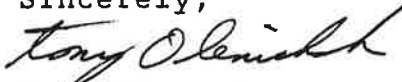

To correct the information on the claim you previously submitted, I have typed an amended Notice of Claim, A27-11248, with the information from License 27-7011. You must sign, notarize, and return the typed amended notice to the IDWR in order to correct the information previously submitted. If you are requesting a refund and withdrawing your original notice, please disregard this typed amended notice.
