FROM: Dave Tuthill

DATE: October 6, 2006

RE: Response to Notice of Error Replies

I called Darwin Vander Stelt, who had prepared the Notice of Error Replies for McConnell Island Ditch Co LTD, and indicated to him that the acreage for the existing water rights had already been determined by the decree dated November 14, 1986. Thus, we cannot increase the acreage as requested.

I suggested that we would be willing to review an enlargement claim, but that we would limit the date of priority to the day after the date of the decree. He stated that he planned to prepare the claim for consideration by the Ditch Company next week.

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

The Place of Use listed in the IDWR Recommendation does not reflect actual patterns of use established and maintained prior to 1987.

2. Describe the changes you wish to make in the proposed recommendation:

The Place of Use should be expanded to include the following irrigated lands:

In T6N R6W: Sec. 35 SESW 12

Sec. 36 SESW 5

In T5N R6W: Sec 11 NESE 10

The total place of use should be expanded to 1233 acres.

3. Give a brief explanation as to why you disagree with these portions:

Examination of aerial photos reveal that the Mc Connel Island Ditch Co LTD has been providing water to the indicated lands for as long as anyone on the board can remember. Owners of the indicated areas own shares in the company, and have been using the water beneficially long before 1987.

____ I AGREE with this proposed recommendation; no changes need to be made.
