Dear Brent:

I reviewed your file and you have not signed your will but we did get the deed on your property. I believe I sent you a copy of it but here is the original and I will keep a copy for my file. By this Deed of Gift dated January 21, 1994, recorded as Instrument No. 422258, records of Bingham County, Idaho, your father and mother conveyed all interest in their property as described therein to you, subject to a life estate in their house. This was effective and I believe it does resolve all things that we need to do except for your estate plan.

It is important that we do this estate plan since there could be some serious tax consequences if you fail to enact and incorporate this will with the trust. Your property is worth substantially more than the minimum of \$650,000.00 for estate tax purposes and on the second death, there could be some serious tax consequences to your children. I would urge you and Diantha to immediately schedule a time to come in to sign this so that if something unfortunate does occur, your family will be protected and will not have to deal with the IRS concerning your possessions.

Very truly yours,

BLASER, SORENSEN & HANSEN, Chtd.

Re: Snake River Basin Adjudication (SRBA)
Claim 27-7089

Subject: CHANGE IN OWNERSHIP

Response Date: 29 October 2003

Dear Claimant(s),

We have been advised; you are the current owner of the property and water right referenced above. Before we can modify our records to reflect your ownership of the property and water right, we need Form 42-248/42-1409(6) Notice of Change in Water Right Ownership, completed and returned to us. We will also need a copy of the Warranty Deed with the legal description attached and a plat of the property, survey map or aerial photo supporting the ownership change.

Our examiner that met with you on September 12 advises there is a modification in the Place of Use (POU). The enclosed layout indicates the slight changes. If this meets with your approval this is what we will recommend to the SRBA Court.

Please fill out the highlighted areas on the notice of change form and submit with the necessary documents by the above referenced response date.

If you have any questions not covered by this letter please feel free to contact me at 547-3993.

Respectfully,
