RE: Insufficient Filing Fees for Palouse River Basin Adjudication (PRBA) Claim Nos. 87-7216 and 87-7217

Dear Mr. Browitt,

The Idaho Department of Water Resources has reviewed the Palouse River Basin Adjudication (PRBA) Notices of Claim to a Water Right that you submitted for your client, the Warren Family Trust. We are unable to recommend these adjudication claims at this time for the following reason.

Insufficient filing fees were submitted for the claimed water uses (wildlife storage). The correct and full filing fees must be submitted with the Notice of Claim in order to include your water right in the report to the court. The appropriate filing fees associated with the submitted claims include a flat fee of \$50.00 per claim, plus a variable fee of \$100 per CFS required to satisfy the claimed storage volume, equating to an additional \$1.00 per claim. The two claims submitted require a total filing fee of \$51.00 per claim, but only \$100 total was paid. We will hold these two claims and set their status to "Temporary" until the remaining portion of filing fees in the amount of **\$2.00** is received.

PLEASE NOTE: If the balance of the required filing fees is not received within 30 days, this claim cannot be recommended to the Court and will be rejected.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,

Evan W. Roda
Water Rights Supervisor
