Re: Snake River Basin Adjudication (SRBA)
Claim 27-7292 and 27-7303A

Subject: OWNERSHIP CHANGE

Response Date: 10 JANUARY 2005

Dear Claimant(s):

Thank you for the Notice of Change in Water Right Ownership and the accompanying Warranty Deed for the above two claims.

I am returning these documents to you. In order for a change to be made we need a legible Warranty Deed. The attached Exhibit "A" has apparently been copied over some other document and a portion of the description is missing on the bottom of two sheets. In the second step of the Notice of Change, please note that we also need a copy of a plat of the property or survey map or aerial photo of the property in question.

If we do not receive the documentation by the above response date, the claim will be recommended to the Court in the name of Mickelsen Properties..

Please send all correspondence to our Soda Springs office.

Respectfully,

A handwritten signature in cursive script, appearing to read 'Barbara Payne', is written over a horizontal line.

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights, and, if a required claim for the water right has not been filed, to file the needed claim.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures, or if you have questions about completing this form, please contact your nearest IDWR office or call 1-800-451-4129.

If you need additional space to describe or explain any of the items on the form, please attach additional sheets to the form as you may require.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believe there are water rights for the property but the numbers are unknown, you may wish to call IDWR or come into an office of IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or" or "and/or". If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign, however only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. If the property you have purchased is only a portion of the property owned by the former owner/seller, you may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

RE: NEW CLAIM FILING FOR A27-07292

Dear Mr. Searle:

During our haste to get you to your next appointment, I neglected to have you sign the "new" claim and notarize it for you.

I am returning your check with the Notice of Claim. If you will, please sign the form (where highlighted) in the presence of a Notary and return it...along with the check to my attention. When I receipt your check, I will send a copy of it to you for your files. You may want to copy the "Notice of Claim" after you sign it to place in your file. When the receipt is mailed to you, put the receipt number on the Notice of Claim (top right hand corner under the ID # and place in your records.

Thank you for your cooperation. My phone number is 525-7161 if you have any questions.

Respectfully,

RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP

Dear Mr. and Mrs. Searle:

Regarding the Change in Ownership form we received today, it appears Dale and Carol Arave never filed an adjudication claim on the water right in question. Therefore, it is necessary for either you or the original owners (Araves) to file a Notice of Claim to a Water Right on 27-07292.

Enclosed for your review is a typed copy of the water right as it appears in the database.

Provided you are purchasing the total acreage this water right covers, the filing fees are as follows:

Filing fee.....\$50
\$1 per acre.....\$258

Total	<u>\$308</u>
-------	--------------

In the event the original owners (Araves) file on this water right, there will be a late fee of \$50 in addition to the above fees.

If you have any questions regarding this matter, please call me at 525-7161.

Respectfully,

Jo Thompson
Adjudication Secretary
