CB Nov 19, 2003 1:40pm Mike Hoffman returned Barbara's call on her request of a warranty deed & aerial photo of his property. Asked Mike to please send these documents to the Soda office. He said he would have his wife find the information and send us a copy.

There is only 3 homes on the system. 1224 N HOOE is no longer on the system. They purchased Dusteller's purchased the property in 1996 and it was already on a separate system. The field exam was done in 1985 by Harold Jones and he only identified 3 homes on the system.

CB 2:13pm Explained to Mike Hoffman that we'll recommend for 3 homes, and reduce the flow appropriately.

2/11/04 See spatial map. It appears to be correct because Ship indicated a lot between the 2nd & 3rd home. The shape does account for to many acres. reduce to 2 acres, 1 acre NESE & 1 acre SESE.

RE: CHANGE IN OWNERSHIP FOR: A27-7332

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Bingham County. The property to which I am referring was most recently owned by Brad Lofgreen. The legal description is as follows:

T01N, R37E, SEC 35 SE/NE
T01N, R37E, SEC 35 SE/SE

This property was filed on in the Snake River Basin Adjudication (SRBA), and we recommend that if, in fact, you now own the property in question, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

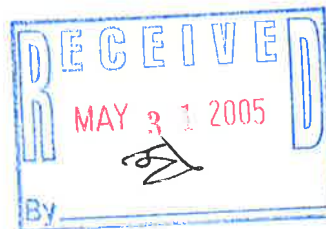

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

If you questions regarding this matter, please call 525-7161.

Respectfully submitted,

Memo to File:

I left messages on answering machines for:
Terry French 357 7076
Brey Anne Rogers 357 2377.

I was able to talk with Michael Hoffman 357 3885.
He said 3 homes are being serviced by the well. The well house is located on his property. They all share in the expense.

Mitzie Dusteller lives at 1224 North 1100 East and he thinks they have their own well. Phone is 357 2429.

Mr. Hoffman will talk with Mr. French. I requested that he send us a copy of the warranty deeds for all 3 pieces of ground that is being serviced by this well, an aerial map or photo of the ground designating what area is being irrigated and the change of ownership that Mr. French received in August.

I talked with Mrs. Dusteller and she said they purchased the ground in 1996 and the well was present on their land at that time. She does not know who they purchased the land from. She is not aware that anyone else uses water out of the well located on her property.

Dear Claimant in the Snake River Basin Adjudication (SRBA):

About 13 years ago you or your predecessor filed with the Idaho Department of Water Resources a claim to water right in the Snake River Basin. The investigation phase of this process is now focused on your area, Basin 27.

You are invited to attend a **public meeting to be held on March 11 at 7:00 p.m. in the Eastern Idaho State Fairgrounds, Needle Craft Building, at the corner of Park and Maple streets.** The purpose of this meeting is for (1) the Department to update you on how the adjudication process works, and (2) for you, the claimant, to express concerns or discuss problems relating to water delivery in your area. This will help us to understand from an historical perspective the use and delivery of your water right.

Throughout this summer our adjudication staff, primarily from our Eastern Regional Office but also at times from Boise, will be contacting various water users in Basin 27. We ask for your cooperation in this process – the better we understand your water rights the better chance of you receiving an accurate decree from the SRBA Court that fully describes your water rights.

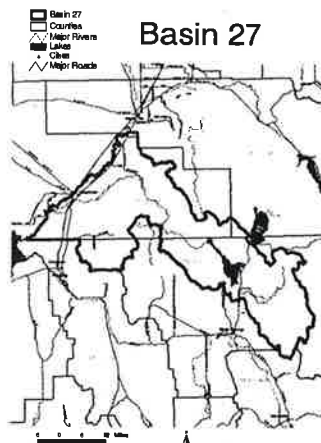

This investigation effort is being conducted by an experienced and successful staff. During recent years, this staff has accurately investigated and reported water rights in neighboring basins including the Big Lost River, the Little Lost River, Birch Creek, Camas Creek and the Portneuf River.

Please contact the Idaho Falls Office with any questions.

Sincerely,

Ernest Carlsen
Adjudication Supervisor, Eastern Region

RE: SNAKE RIVER BASIN ADJUDICATION - LICENSE 27-07332

Dear Mr. Byrne:

After reviewing our files, we have found a copy of a Notice of Claim based on the Permit referenced above. This Notice is not valid at this time because the fees were never paid. A Notice of Claim must be filed in the Snake River Basin Adjudication (SRBA) in order to preserve the water right. Please follow the directions below if you wish to file the Notice and preserve your water right.

The deadline for filing Notices of Claim in the SRBA was May, 1990. Because the filing is considered to be "late", it is necessary to assess a late fee of \$50.00, in addition to the normal fees of \$50.00 to file and \$1.00 for each acre, bringing the total fees to \$102.00.

Under the circumstances, it is possible you could get a waiver on the late fees. I am enclosing a "Request for Extension of Time" form for this use. If you wish to have the "late" fees waived, you may submit the extension of time form to the state office. If the extension is granted, the \$50.00 late fee will not apply. However, please wait to hear from the state office before submitting your claim. When the extension form is returned to you, sign the Notice of Claim (where highlighted) in the presence of a Notary Public and return the form to my attention, along with the appropriate fees and a copy of the "extension request form".
