Response Date: August 22, 2003

Dear Claimant(s),

We have been advised that you are the current owner of the property and water right referenced above. Before we can modify our records to reflect your ownership of the property, we need form 42-248/42-1409(6) completed, signed and returned. I have enclosed the form for your convenience.

In the adjudication review process there is no filing fee. However, we will need a copy of the plat, survey map or aerial photo with the appropriate area marked and a copy of the warranty deed.

For your reference, I have enclosed the brochure entitled "Evidence of Priority". The brochure describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some examples of Documents Which May Be Evidence of the Priority Date".

Please submit the documentation by August 22, 2003 referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed brochure, please feel free to contact me at 547-3993.

Respectfully,

Cindy E. Bird

Subject: Change in Ownership & Evidence of Priority
Response Date: July 10, 2003

Dear Claimant(s),

Bingham County records indicate that you are the current owner of the property and water right referenced above. Before we can modify our records to reflect your ownership of the property, we need form 42-248/42-1409(6) completed, signed and returned. I have enclosed the form for your convenience.

In the adjudication review process there is no filing fee. However, we will need a copy of the plat, survey map or aerial photo with the appropriate area marked and a copy of the warranty deed.

For your reference, I have enclosed the brochure entitled "Evidence of Priority". The brochure describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some examples of Documents Which May Be Evidence of the Priority Date".

Please submit the documentation by July 10, 2003 referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed brochure, please feel free to contact me at 547-3993.

Respectfully,

Cindy E. Bird
