Memo of the call between Steve & Cindy

6/25/03. 2:00pm. (37 min call) with Steve Oler called and complained for 37 minutes about filing this claim and all of his neighbors didn't file. All of his neighbors are irrigating more than a half an acre with their domestic wells. His neighbors didn't file on their potato cellars. "I didn't file for these diversion rates, the lady that helped me put them in. Is it that I'm filing for more than I should?" No, you filed a beneficial use claim, for domestic, stockwater, irrigation & Commercial. and under the Idaho Code you must provide evidence to support the water has been put to B.U. for the purposes claimed."

Steve "But my neighbors didn't file", did they?"

"Steve, I don't because they may have already received their partial decree."

Steve: Well I know they haven't, so you saying they don't have anything on file with the department."

Cindy: I don't know, because are you asking me if they have a drilling permit

Yes, that would be on file with the

department.
Are you asking me if they have a
w/e? I don't know

Are you asking me if they have a
claim? I don't know, but I could give
you our website and you can go out
and check.

Steve: "I don't have a computer"

Cindy - Well you can go to the public
library, because I don't have time
to search all your numbers.
Our website is: www.idaho.state.id.us

This guy never did ask what is required
for his claim, he was to bring everything
me and complaining that his neighbors
didn't have to go through this.

He did say he doesn't migrate the cases
from the web, it's migrated with
Carol Stone.

At the time he could just file it as a
democratic right and all someone every
thing else I might.

"Well I don't want to lose anything"

Cindy = "Was the 2 potato cellars
there in 1920?" Steve, No. the first
one was put in 25-30 yrs ago. "They
are 30,000 sack potato cellars.
"The previous owner of this property
is dead"

"Steve; well your busy so I'll let
you go"

RE: SRBA Claim No. 27-11015

Dear Mr. Oler:

I am the Deputy Attorney General assigned to represent the Idaho Department of Water Resources in Basin 27 in the Snake River Basin Adjudication.

The Department of Water Resources has previously contacted you on June 25, 2003, regarding the need for information supporting your SRBA claim no. 27-11015. I also called and left a message for you at the beginning of this month concerning this claim number. However, the Department has not received the information requested.

In order to make a complete and accurate recommendation of your water right, each element of the water right must be proven. At this time, the Department will not be recommending your water right as claimed because you have not provided the information to support your claim.

Please contact Cindy Bird at the Soda Springs Office for the Idaho Department of Water Resources at 208-547-3993 or you can contact me directly at 208-327-5404.

Very truly yours,

A handwritten signature in black ink that reads "Candice M. McHugh".

Re: Evidence of Priority

Claim No.(s) A27-11015

Dear Claimant (s):

The Idaho Department of Water Resources has begun its water right review in Basin 27. The Notice(s) of Claim identified with the number shown above, has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates water usage is based on "Beneficial Use". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed, at or on the place of use identified on the Notice. The date the water was first put to use, known as the priority date, has not been confirmed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. **As the claimant, you are responsible for submitting the necessary proof to support the priority date.**

It is important that each element of the Notice be substantiated. For instance, regarding claims for irrigation, the evidence should tend to show that diversion works were in place, that they were capable of diverting the claimed diversion rate, and that the diverted water was beneficially used on the entire claimed place of use on or before the claimed priority date.

For your reference, I have enclosed the pamphlet entitled "**Evidence of Priority**". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some examples of Documents Which May Be Evidence of the Priority Date**".

It is our goal to recommend historical water rights within the Snake River Basin as accurately as possible.

.....
The Department cannot recommend the court decree the Notice if no evidence of a priority date is submitted.
.....

Please submit the documentation supporting the priority date by June 26, 2003, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter, please feel free to contact me at 547-3993.

Respectfully,

Cindy E. Bird

Adjudication Claim Report

Memo to File: The following letter date November 6, 2002, was sent out to the claimants and no response was received back to Intrepid.

November 6, 2002

Dear Sir or Madam:

Intrepid Technology and Resources, Inc. (ITR) has been contracted by the Idaho Department of Water Resources (IDWR) to verify information in the State's records regarding the enclosed claim(s). This letter is being sent to the address of record for the enclosed claim(s).

In June or July of 2002, ITR employees visited the point(s) of diversion for the claim(s) in question. The purpose of this letter is to follow up on that visit, and ask for your input to verify the boundary of the area irrigated by each point of diversion. IDWR has supplied the enclosed maps and/or aerial photographs. The points of diversion (wellheads, dams, etc.) are indicated as circles. The irrigated areas are traced with bright yellow lines.

Please take the time to review the map, and correct any inaccuracies by marking changes on the map, and sending the map and claim file back to us in the enclosed postage-paid envelope.

If the claim is no longer in use, please note it on the claim file and return it to us in the enclosed envelope.

This applies only to the enclosed claim file. Water rights or claims not included with this package will be dealt with separately. Please DO NOT mark wells, diversions, or irrigated areas not specifically addressed in this package.

If you have any questions about the letter itself or how to respond, please call Doug Larsen or myself at 208-529-5337. We will be happy to discuss it with you.

Sincerely,

Shaun Dustin, PE
