Roger,

We are putting the finishing touches on a method to identify rights that were not claimed or were recommended under other numbers so that we can close them. The plan is to accomplish this task after most of the records in a particular basin have been decreed and moved into WR. Until then, we are not touching the active water right records.

Dear Carla and Nick,

Please enclose the check and signed claim for and return it to our Idaho Falls office at: IDWR, 900N. Skyline Dr. Ste A, Idaho Falls, ID 83402-1718. Also please enclose the name and address of your local contact.

Claim #27-2023

Note to File:

I checked with the Assessor's office and they only showed the current owner, which is Ohanesian & Assoc.

I went to Caribou Title and was allowed to view their book that contains all the land transactions for T6S, R40E, Section 26. The only transactions involved the original patent to Jasper Perkins, a reference to Irene Blastock and the current owner, Ohanesian & Assoc.

I went to the County Record's office and checked the direct and indirect Deed listings back to the late 1800s. I was able to find the following but did not feel any of them related to this property:

Jasper Perkins to Perkins, Briant #21-384
Jasper Perkins to Butterfield, #28-395
Jasper Perkins to Topance Corp. #31-276
Jasper Perkins to Higginson, #35-108

I viewed the following document and it did not pertain to this land:
Mabey William A. to Robert L. Blastock #28-398

I obtained a copy of the Warranty Deed from Lucy Blastock to Ohanesian & Associates.

RE: Snake River Basin Adjudication (SRBA)
Claim No. A27-2023

Dear Claimant(s);

In reviewing your file, besides finding that the property and water right is not listed in your name, and that you will need to do an ownership change. We found that no adjudication claim has ever been filed on the 100 acres. Back when Jasper Perkins originally filed, he filed an application for a permit to use the water. If the water is still being used for irrigation, you must file an adjudication claim to protect the water right. I've enclosed form 42-1409(2) "Notice of Claim to a Water Right" for your convience.

Please feel free to call me at 547-3993, if you have any questions.
