RE: Notice of Change of Water Right Ownership (NCO) for 27-11994 and Notice of Completed Administrative Proceeding (NCAP)

Dear Mr. and Mrs. Nation:

Due to an oversight, when our department changed the water right ownership in July 2004, Jacquelyn Nation was left off. We have since corrected this error in our data base.

Furthermore, as directed by the Snake River Basin Adjudication Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jennifer Crabtree

Notes

3/1/04 This claim needs to be split between Romrell's and Nations. They each have $3/4$ acre. CB

3-2-04 Split. Parent is 27-11120. BT

3-23-04 Talked to Jacquelyn Nation, she will located Warranty deeds back to James Welch & FAX them to us. AB

4/23/04 Yesterday, Murlin Yancey and I sat down and discussed the Welch water. We can show warranty deeds back to the Welch family and therefore will recommend the $3/4$ of an inch of water to Howard Nation & $1/4$ of an inch to Romrell's. CB

Recommend as noted.

Check the POD to see what ditch it is conveyed thru. We may need to add a Remark/Condition to clarify the conveyance.

Verify SOU. 4/1 - 10/31.

6-28-04 The Ditch is Central axis of the Blackfoot River. BT

2/1/05 It appears that Zane Caldwell over sold the water he had on this place. Because he conveyed earlier to Nation/Romrell 1.5" of Welch water and 60" to Bear. There was only $48\frac{1}{2}$ " available for Audrey Bear in 2003.

Notes

6/24/03 8:23 Am.

Jackie Nation called on the evidence of priority titles. They irrigate less than an acre of land. This is also used by the neighbor. About 5-6 yrs ago they (both users) removed the animals from the property. Don Rommel put in grass & trees. The nations plan to put in grass & trees.

Jackie said they pay dues to a Canal Co. I told her that if it's through the Canal Co. then they would hold the water right not the individuals. If that's the case then I need you to write draw the notice of claim, or I can recommend it for "DISALLOWAL". Jackie's going to check on that and call me back.

9:24 Am recall for evidence that can be used.

6/25/03 Jackie Nation - Extension To 8-1-03.

Bruce Hansen ^(First) purchased the property and broke it off from the farm land.

I told Jackie that it might be their claim should be part of another claim such as a decree or license and not a B.U. claim

Dear Ms. Bird:

In response to your letter of 9 December 2003, please be advised that we accept Mr. Merlin Yancey's response of December 30, 2003 in behalf of all holders of Welch water. If you require another copy please advise me, and I would be happy to send you one.

On another matter, is it possible to separate this claim between Nations and Romriells? Or do we need to keep it intact until the adjudication process is complete? I can be contacted daytime at 208 785-8616 or email at inblckft@ida.net. Thank you.

Re: Snake River Basin Adjudication (SRBA)
Claim 27-11120

Subject: EVIDENCE OF PRIORITY DATE

Response Date: 8 January 2004

Dear Claimant(s):

The Idaho Department of Water Resources has begun its SRBA claims review in Basin 27. The Notice(s) of Claim identified with the number shown above, has been filed in the SRBA.

The referenced claim is not a decreed right based on Welch Irrigation. In the Stevens' 1891 decree the Welch water was decreed as mining, not irrigation and cannot be converted to irrigation. The mining purpose is non-consumptive while, irrigation is consumptive. Therefore, it can only be recommended to the Court as a beneficial use claim. However, before we can prepare the recommendation, we need evidence to support when the water was put to beneficial use for irrigation.

It is important that each element of the Notice be substantiated. For claims for irrigation, the evidence should tend to show that diversion works were in place, that they were capable of diverting the claimed diversion rate, and that the diverted water was beneficially used on the entire claimed place of use on or before the claimed priority date.

For your reference, I have enclosed the pamphlet entitled "**Evidence of Priority**". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some examples of Documents Which May Be Evidence of the Priority Date**".

If we do not hear from you by the above referenced response date we will recommend to the Court that this claim be disallowed.

If you have any questions not covered by this letter, please feel free to contact me at 547-3993.

Respectfully,

Re: Evidence of Priority

Claim No. A27-11120

Dear Ms. Bird:

Here is the history as I have been able to piece it together. Most of the information is from Zane Caldwell.

3/20/1886

The Welch family had a mining claim on the property we now own. They dug the canal presently used to run their mining operation and later farmed it.

????

Zane Caldwell purchased the farm and water rights. He has filed with you as water right No. 27-37C

1976

Zane Caldwell sold approximately 1.5 acres to Bruce and Karen Hansen with the water rights as outlined in our claim. Shortly thereafter, Mr. Hansen subdivided and sold half his lot to Don and Linda Romrell.

1977

Cox Insurance and Loan foreclosed on Bruce and Karen Hansen. Property is rented with option, Cox Insurance and Loan pays dues to Central Canal to deliver water.

1987

Howard and Jacque Nation buy the property, told by Cox Insurance and Loan that there are water rights, confirmed by Zane Caldwell and Central Ditch Co. Renters water lawn with pump from ditch until pump burns up. Property watered by well thereafter.

1989

Howard and Jacque Nation move into house. Because papers are in storage and Adjudication forms are due, Jacque asks Zane Caldwell for facts on water claim which he supplies. Claim filed.

1998

Don and Linda Romrell install sprinkler system for their property using ditch water. Take over payment of Canal dues.

2003

Zane Caldwell sells remaining farm with water rights to Beans.

I can get written statements from Zane Caldwell and the secretary of the ditch company. Cox Insurance and Loans is now defunct and its owners deceased. Please advise me as to best procedure. Thank you for your time.

Re: Evidence of Priority

Claim No.(s) A27-11120

Dear Claimant (s):

The Idaho Department of Water Resources has begun its water right review in Basin 27. The Notice(s) of Claim identified with the number shown above, has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates water usage is based on "Beneficial Use". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed, at or on the place of use identified on the Notice. The date the water was first put to use, known as the priority date, has not been confirmed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. **As the claimant, you are responsible for submitting the necessary proof to support the priority date.**

It is important that each element of the Notice be substantiated. For instance, regarding claims for irrigation, the evidence should tend to show that diversion works were in place, that they were capable of diverting the claimed diversion rate, and that the diverted water was beneficially used on the entire claimed place of use on or before the claimed priority date.

For your reference, I have enclosed the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some examples of Documents Which May Be Evidence of the Priority Date".

It is our goal to recommend historical water rights within the Snake River Basin as accurately as possible.

.....
The Department cannot recommend the court decree the Notice if no evidence of a priority date is submitted.
.....

Please submit the documentation supporting the priority date by June 26, 2003, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter, please feel free to contact me at 547-3993.

Respectfully,

RE: SRBA Claim based on decreed water right No. 27-11120

Dear Claimant(s):

I am the Deputy Attorney General assigned to represent the Idaho Department of Water Resources (IDWR or the "Department") in Basin 27 in the Snake River Basin Adjudication.

The Department of Water Resources is currently investigating water right claims in Basin 27. IDWR information indicates that your water right claim is based on a water right decreed in *Stevens v. Eastern Idaho Water Co.*, Judgment Book 1, pp. 106-117 (Bingham County, Idaho August 1, 1891), to James Welch. This water right was decreed for 400 inches (8.0 cfs) with a March 20, 1886, priority date. This water right was numbered sometime after the decree by IDWR as water right no. 27-37.

The Department has received multiple claims to this water right totaling more than 8.0 cfs. In order to make a complete and accurate recommendation of your water right, each element of the water right must be proven. The Department needs information that shows you are a successor to the original James Welch water right. This could be established through deeds or other conveyance documents that show you own a portion of the original water right.

Please provide this information by March 26, 2004, to Cindy Bird at the Soda Springs Office for the Idaho Department of Water Resources. You can contact her at 208-547-3993. If you have any further questions regarding this matter, you can contact Cindy or you can contact me directly at 208-327-5404.

Very Truly Yours,
