Dear Marjorie:

Once again the question of claims filing came up concerning the rights for the Pioneer Dixie Ditch Company and Siebenberg Coop Ditch Co., Ltd. We do have claims filed for the Canyon Ditch Company, and a copy of those are enclosed for your review just in case you notice a problem with them. For the other two ditch companies, I have completed a thorough search of the Department's records, both paper and computer, and have found the following:

PIONEER DIXIE DITCH COMPANY - no recording of claims on paper or in the computer under the ditch company's name, however, we do have Receipt No. C015501 which shows a total of \$3,180 paid for filing fees for Pioneer Dixie Ditch Co. listing water right numbers 63-00137, 63-00222, 63-00233 and 63-00374. In researching which water rights Pioneer would need to file on, these numbers are the base numbers, however, Pioneer has portions of these rights. According to the Boise River Water Distribution book, Pioneer is delivered water under portions of Boise River Right No. 45 (aka Water Right #63-00137A for 33.1 cfs), No. 88 (aka Water Right Nos. 63-00222A, B & C for a total of 2.3 cfs), No. 96 (aka Water Right Nos. 63-00233C & L for a total of 2.2 cfs), and a Bryan Decree right known as Water Right No. 63-00374 for 20.9 cfs. The total of all these rights is 58.5 cfs (2925 inches). Enclosed are computer generated proof reports of each one of these rights.

Simplot, Inc. has filed on two of these rights. Enclosed are copies of Claim Nos. A63-00222A and A63-00222B for your review. Pioneer Dixie Ditch Company can file duplicate claims on these, or if there is some prior agreement between the ditch company and Simplot concerning the water rights, perhaps the name could be changed to add the Pioneer Dixie Ditch Company's name.

Enclosed are computer generated claims in the name of Pioneer Dixie Ditch Company for the rights listed above. The only items needed to file these are a landlist of the irrigated acres served by the ditch company in each quarter-quarter, section, township and range along with your notarized signature and title. From talking with you, it appears that a large map was made outlining these acres, however, I have not been able to locate it in any claim files or Forrest Luthy's old files.

SIEBENBERG COOPERATIVE DITCH CO., LTD. - I did locate a computer generated claim in the ditch company's name. However, I could not locate a signed copy in our files. Claim No. A63-00138D for 12.28 cfs (614 inches) covers the only Boise River right (#9) listed for the Siebenberg ditch in the Boise River Water Distribution book. This claim does have a landlist and filing fees have been paid under Receipt No. C015500. Enclosed is a computer generated copy of this claim and all that is needed is your notarized signature and title.

It appears you worked diligently towards filing these claims and I will try to provide you with any assistance you need in order to complete the filings again. I apologize for any inconvenience this may cause and please feel free to contact me with any questions or concerns you may have.
