13. Remarks:

Priority date description: This was the date the home was moved onto the property. After speaking with IDWR staff, they explained that the date the house was established on the property was the priority date. We drilled a new well June 15, 2009 to replace the initial well used for the home. The well log for that shows the permit number 856717, the well tag D0056441 and the Well ID 426299. The former well was 279897, Tag number D0040389, Permit number 835876 under James Wallace. This permit was to deepen the old well that existed on the property. He had two homes, 2800 and 2780 Mountain View Rd. I could not find the well log for the old well. 2800 was established in June 4, 1985 under building permit number Latah County number 1985-1043. 2780 was established November 17, 1998 under building permit number Latah County number 1999-034. I will forward the information in an email.
