Re: Water Right Application by Mr. David Skeen, P.O. Box 842, McCammon, Id.

Dear Sirs:

Our Lewis-Goodenough Ditch Co. presented to the Water Resource Dept. regulatory stipulations on the Gary Skeens water right. Mr. Gary Skeens applied for his water right several years ago. Mr. David Skeens is now applying for a water right that is for all intents and purposes, in the same point of diversion.

If the Water Resource Dept. does in fact grant David Skeens a water right, the Lewis-Goodenough Ditch Co. is requesting that the same stipulations apply to the David Skeens right as apply to the Gary Skeens water right.

Our ditch company would question the granting of yet another water right at this particular point of diversion, as there is barely enough water during the summer months to supply the now existing water rights.

Thank you for your consideration in this matter.

Lewis-Goodenough Ditch Co.
