Notes

4/16/04 Objection settlement:

no change in POD'S. POU changed to 112 acres. Increased quantity to 2.0 cts.

Sent shapes to Carter Fitchke in Boise to link the shape.

We previously agreed on the change in POU and I sent the CD to Linc in I.F. but the new shape didn't get linked.

4/26/04 Janet Conal from the SRBA Court called Friday 1-208-736-2169 X3. When they added the total number of acres, it totaled 117.9 acres not 118.0. I called her back to ~~explain~~ explain. It's a rounding error. McVivier will round acres over 10 to the nearest whole acre. She will explain to the special masters and she will probably make a note on the special masters report when she issues it. CB

Hi Kris,

Cindy gave your request to me to process concerning the above referenced claims. Hope I understand your directions correctly. I made a copy of the original signed claim form; sent the original to Vicky and retained the copy for our files. I made copies of all of the other documents in the file and sent them to Vicky and kept the originals in our file. I put them in separate file folders to make it easier to utilize. I will put them in the snail mail. Don't know if they will go out today or Tuesday. By the time I get to the post office, they may already be closed.
