Comments:

1. csaxton 12/18/2002 Diversion Rate

Comment: This right was over claimed. Deeds were requested from all claimants. Some claimants were deeded 1 inch per acre, some claimants were deeded ½ inch per acre, and some of the claimant deeds were silent. If the deed shows a duty of water, that amount recommended. Claimants that did not provide a deed will be recommended ½ inch per acre. Jackson creek water is used on this property (co-mingled with Rapid Creek). However Jackson Creek water was not decreed. Use of Jackson creek water is treated as a beneficial use right. Some users of Rapid Creek would not file a claim on Jackson Creek. When Jackson Creek water is being delivered, they will not have right to be on the rotation.

2. csaxton 12/18/2002 POD

Comment: POD not defined in Decree. No C03.

RE: Request for copy of Warranty Deed

Dear Dennis and Patricia,

In the letter I sent you on July 2, 2002, I neglected to request a copy of your Warranty Deed. The reason I need a copy of the deed is that several of the deeds along for Murdock Subdivision state how much water per acre was sold when Norris Murdock subdivided the property. Some of the deeds I've seen in the area speak of a 1/2 inch per acre, some speak of 1 inch per acre, and some are silent. There are times where a deed will exclude all water rights. Please mail or fax me a copy of your deed as soon as possible.

Feel free to contact me if you have any questions.

RE: New Snake River Basin Adjudication (SRBA) claim for Jackson Creek water.

Dear Dennis and Patricia,

The Idaho Dept. of Water Resources is currently in the process of reviewing SRBA claims in your area. My initial review indicates that water used for irrigation purposes on the ditch that services Murdock Subdivision is both Rapid Creek and Jackson Creek water.

You claimed a portion of original decreed right 29-00294. The decree states that this right is to be delivered from the main channel of Rapid Creek. In order to continue use of Jackson Creek water to irrigate your property, a separate claim for the Jackson Creek water needs to be filed.

For your convenience enclosed is a claim for the use of Jackson Creek for irrigation purposes. Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office with the filing fee of \$50. Note, that I am soliciting claims for Jackson Creek water from all the users on the ditch.

In addition, I need to verify that both Rapid Creek and Jackson Creek water is used on your property. If you do not use water from the ditch system that serves Murdock Subdivision, then I would not file the Jackson Creek claim since I will have to disallow it anyway.

I plan to be in the Inkorn area during the week of July 15 – 19 to do field exams.

Please feel free to contact me if you have any questions.

Respectfully submitted,
