RE: Rejection of Notice of Claim to a Water Right

Dear Mr. & Mrs. Kreid:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Claim. We are rejecting and returning your adjudication claim for the following reason.

The reason we are rejecting your claim is because required information was not provided on the claim form. The priority date appears to be missing on question # 2. The priority date should be the date that water was first used from your well. The location of place of use, question #9 needs to be filed in as well. On question #13, this explains the priority date, and question #14 needs the Beneficial Use box checked. Please fill in the highlighted areas and return your claim to our office.

I apologize for the inconvenience.

If you still have questions, please feel free to call our office and talk to an adjudications agent.

Sincerely,

A handwritten signature in black ink that reads "Dawn R. Lenon". The signature is written in a cursive, flowing style.
