Colleen,

Thank you for taking the time to speak with me this afternoon, especially while you were at the golf course. As per our conversation, I am sending you the *Relinquishment of a Notice of Claim to a Water Right* form to relinquish your ownership of CSRBA Water Right Claim 95-15124.

As discussed, Claim 95-15124 was originally filed for the domestic use of water from Coeur d'Alene Lake and listed your name and six others as claimants. The recommendation of the claim could only include the properties with homes on them prior to May 20, 1971 (mandatory permit date for surface water). Additionally, the domestic use of lake water for the home on your property (04320001005A) was already claimed under Claim No. 95-13364. As such, the recommendation of 95-15124 does not include your property, but do to the original filing, your name is still reflected in its ownership.

The *Relinquishment of a Notice of Claim to a Water Right* form you submitted on April 16, 2019 to remove your name from the aforementioned claim incorrectly listed Water Right License No. 95-15125, which does pertain to your property. To resolve this, please complete and return the attached *Relinquishment of a Notice of Claim to a Water Right* form to the address listed below, listing **Water Right Claim No. 95-15124** as the claim you wish to be removed from. Additionally, please include a statement noting the previous error and that you wish to retain your interest in Water Right License No. 95-15125.

Feel free to contact me if you have any additional questions or concerns and I will be happy to help.

Best Regards,

Evan

I have corrected it

retain my interest in
Water Right Claim in
#95-15125. Thank you
