LAST WILL AND TESTAMENT

OF

JACK M. HATLEY

Introductory Clause. I, JACK M. HATLEY, a resident of and domiciled in the County of Bannock and State of Idaho, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all Wills and Codicils at any time heretofore made by me.

I am married to RHONDA L. HATLEY.

I have four living children: SCOTT R. HATLEY, born February 20, 1955; SHELDON B. HATLEY, born May 6, 1958; STARLA HATLEY SMITH, born December 15, 1962; and SHARALEA HATLEY PEWTRESS, born June 3, 1969.

ARTICLE I

Direction to Pay Debts. I direct that all my legally enforceable debts, secured and unsecured, be paid as soon as practicable after my death. If at the time of my death any of the real property herein devised is subject to any mortgage, I direct that the devisee taking such mortgaged property shall take it subject to such mortgage and that the devisee shall not be entitled to have the obligation secured thereby paid out of my general estate.

ARTICLE II

I direct that:

(1) **Direction to Pay All Taxes from Residuary Estate.** Except as provided in (2) herein, all estate, inheritance, succession, death or similar taxes (except generation-skipping transfer taxes) assessed with respect to my estate herein disposed of, or any part thereof, or on any bequest or devise contained in this my Last Will (which term wherever used herein shall include any Codicil hereto), be paid out of my residuary estate and shall not be charged to or against any recipient, beneficiary, transferee or owner of any such property or interests in property included in my estate for such tax purposes.

(2) **Apportion Taxes on Nonprobate Property.** All such taxes in respect to any property or interests in property included in my gross estate under Sections 2035, 2036, 2037, 2038,

PROFILED

2039, 2040, 2041, 2042, and 2044 of the Internal Revenue Code shall be charged against and paid by the recipient or beneficiary of such property or interest in property or from the property or interest in the property, provided, however: (a) there shall be no apportionment against any donee or recipient of any such property or interest in property which is a qualified charity under Section 2055 and the property or interest in property was allowed in my federal estate tax proceedings as a charitable deduction; (b) there shall be no apportionment against my surviving wife, if she is a donee or recipient of any such property or interest in property and the property or interest in property was allowed in my federal estate tax proceedings as a marital deduction under I.R.C. Section 2056. The amount of the tax to be charged against such donee or recipient shall be determined by multiplying a fraction (the numerator of which shall be the federal estate tax value of the property to be apportioned as finally determined in my federal estate tax proceedings and the denominator of which shall be the total value of my taxable estate for such federal estate tax purposes) times the net amount of such taxes payable by my estate after the application of all credits against such taxes.

HATLEY, if she shall survive me. If my wife shall not survive me, I give and bequeath all this property to my children surviving me, in approximately equal shares; provided, however, the issue of a deceased child surviving me shall take per stirpes the share their parent would have taken had he or she survived me. ARTICLE X

Provision for Personal Representative to Act as Trustee for Beneficiary Under Age Twenty-One. If any share or property hereunder becomes distributable to a beneficiary who has not attained the age of Twenty-one (21) years or if any real property shall be devised to a person who has not attained the age of Twenty-one (21) years at the date of my death, then such share or property shall immediately vest in the beneficiary, but notwithstanding the provisions herein, my Personal Representative acting as Trustee shall retain possession of the share or property in trust for the beneficiary until the beneficiary attains the age of Twenty-one (21), using so much of the net income and principal of the share or property as my Personal Representative deems necessary to provide for the medical care, education, support and maintenance in reasonable comfort of the beneficiary, taking into consideration to the extent my Personal Representative deems advisable any other income or resources of the beneficiary or his or her parents known to my Personal Representative. Any income not so paid or applied shall be accumulated and added to principal. The beneficiary's share or property shall be paid over, distributed and conveyed to the beneficiary upon attaining age Twenty-one (21), or if he or she shall sooner die, to his or her personal representatives. Whenever my Personal Representative determines it appropriate to pay any money for the benefit of a beneficiary for whom a trust is created hereunder, then the amounts shall be paid out by my Personal Representative in such of the following ways as my Personal Representative deems best: (1) directly to the beneficiary; (2) to the legally appointed guardian of the beneficiary; (3) to some relative or friend for the care, support and education of the beneficiary; (4) by my Personal Representative using such amounts directly for the beneficiary's care, support and education; (5) to a custodian for the beneficiary under the Uniform Gifts or Transfers to Minors Act. My Personal Representative as trustee shall have with respect to each share or property so retained all the powers and discretions conferred upon it as Personal Representative.

ARTICLE XI

Discretion Granted to Personal Representative in Reference to Tax Matters. My Personal Representative as the fiduciary of my estate shall have the discretion, but shall not be required when allocating receipts of my estate between income and principal, to make adjustments in the rights of any beneficiaries, or among the principal and income accounts to compensate for the consequences of any tax decision or election, or of any investment or administrative decision, that my Personal Representative believes has had the effect, directly or indirectly, of preferring one beneficiary or group of beneficiaries over others; provided, however, my Personal Representative shall not exercise its discretion in a manner which would cause the loss or reduction of the marital deduction as may be herein provided. In determining the state or federal estate and income tax liabilities of my estate, my Personal Representative shall have discretion to select the valuation date and to determine whether any or all of the allowable administration expenses in my estate shall be used as state or federal estate tax deductions or as state or federal income tax deductions and shall have the discretion to file a joint income tax return with my wife.
