RE: Completed Claim Needed for PRBA

Dear Mr. & Mrs. Mortimore:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right. We are unable to recommend your adjudication claim to the Court for the following reason.

The Notice of Claim to a Water Right form was submitted for the domestic use of a well for 1 home, but the claim form was incomplete. The section that is highlighted must be completed in order for the claim to be valid. The section that needs to be completed is the Date of Priority. That would be the date water was first used on you parcel.

Please complete the form and return it to the Northern office at your earliest convenience.

Do not hesitate to contact our adjudication staff if you still have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Dawn R. Lenon".
