Timeline for City of Meridian Water System

1893 - Meridian established

1903 - Meridian incorporated with a population of approximately 200

4/22/1910 - Meridian Times article states that the village trustees have purchased land for a well, pumping station and water works tower. A well driller from Nampa is to start on the well in a few days. The article also states that the City of Nampa has two well each capable of pumping 350 gpm. However, only one is used at a time, but it is used continually during the irrigation season when irrigation ditches are not available. Note that this predates any facilities to store of water on the Boise River upstream from Nampa. Also, the population of Nampa in 1910 was 4,205.

The following information is on a handwritten note:

17 June 1910 E. M. Blake, engineer – well down 200'

24 June down 225' There is a sand cement formation that seeps under the pipe of which prevents so far the locating of a good strata of water

8 July down 236' 6" pipe – 8" pipe abandoned

5 Aug – New well tested – water soft

12 Aug 2 carloads of wood pipe received – also hydrants & fixtures
pipe is of different sizes – wound with wire & coated with tar

Residence rate proposed \$1 per year

Butcher & Edmie engineers from Nampa to lay pipe

21 Oct – Work will be started on building to house the water works

1/2/1911 is the date on pamphlet: Water Works Department – Official Schedule of Water Rates, Rules and Regulations for Village of Meridian

Feb 1912 Sanborn Map – Water Works: Municipal ownership, gravity system, water pumped from well by an electric Byron Jackson centrifugal pump, capacity 750 gal per min, to ? steel tank, capacity 60,000 gal and elev 110 ft.

Feb 1923 Sanborn Map – Water Fac: Municipal water works, gravity and direct pumped system – water from 6" well 234 ft. deep (water comes to within ? ft of top) by a Layne-Bowler elec. turbine pump ? 340 G.P.M. pumps direct into a distributing system of about . . . The map also indicates the population of Meridian is 1004.

Mid 1930s – A shipper's guide published by the Union Pacific Railroad lists the population of Meridian at 1100.

Re: Amended Notices of Claims for the City of Meridian

Dear Jan:

Some time has passed since you and Dave Tuthill kindly agreed to meet with the City of Meridian and myself concerning Meridian's municipal water rights. Since that meeting, the City has devoted considerable energy to working through its water rights portfolio and educating itself to emerging municipal water rights issues. Accordingly, and on behalf of the City of Meridian, I am submitting Amended Notices of Claims in the SRBA for the City's municipal water rights. Please process accordingly and feel free to call me with any questions concerning these claims.

On behalf of the City, and myself, thank you for taking the time to help us understand the process and what future water issues we may expect to encounter and prepare for.

Respectfully,

Ed Squires
