1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

2. Describe the changes you wish to make in the proposed recommendation:

At the present time we are watering 3 of our 5 acres of cemetery area. Due to public interest it is now necessary to have sufficient water to water the entire 5-acre cemetery.

3. Give a brief explanation as to why you disagree with these portions:

There isn't sufficient allotment of water for the entire 5 acres. This needs to be increased in order to water the entire 5 acres.

___ I AGREE with this proposed recommendation: no changes need to be made.

12/13/01 9:10am Dait Chustensen came into the office in Soda Springs. Central Cemetery owns 3 acres of land. The irrigation system will irrigate the 3 acres. They don't have all of the plots full yet.

8/23/01 A29-584- Bancroft-Lund decree.

The legal description on the imagery doesn't match. The imagery indicates 1.5 acres not 3 acres.

8/24/01 10:30AM - Stopped by the Cemetery to see if this was the same Cemetery.

11:30AM - Downloaded the track and it's in the same location as my shape. So after lunch I'll check with the courthouse to see how much land is owned.

Caribou County assessors (Carol) - Denise, they don't have the legal description for the Central Cemetery. Carol had 2 different maps or legal, Kenneth Christensen has approximately 153 acres out of the 160 acres, leaving 7 acres for the Cemetery.

Denise called the tax commission ~~and~~ to get a copy of the legal.

Recommend 3acs.
