1. kwalker 5/17/2002 Overlap with 29-2044A

Comment: This permit overlaps with Rt. 29-2044A which does not cover the 1.7 acres in Section 36. However, claim was filed on a portion of 29-2044A, numbered 29-2044E, and that claim covers the lands in Section 36. Since SRBA staff has prepared recommendation on 29-2044E with the change in place of use, I recommend we license this permit to show an overlap with 29-2044A and the SRBA can correct with their recommendation on 29-2044E.

*29-02044E - cfs @ DIB was not reduced to allow

RE: CHANGE IN OWNERSHIP FOR A29-02044E, A29-07609 AND
A29-11907

Dear Ms. Smith:

It has come to our attention that you may have recently purchased a tract of land in Bannock County. The property to which I am referring was most recently owned by Joseph Burgess and yourself. The legal description is as follows:

T08S R36E S35 NE1/4 SE1/4
T08S R36E S35 NW1/4 SW1/4

This property was filed on in the Snake River Basin Adjudication (SRBA), and we recommend that if, in fact, you now own the property in question, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Divorce Decree with legal description of the property you have purchased.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,

Cheri Vandermeulen
