COMES NOW, the Objector, Boise-Kuna Irrigation District, by and through its counsel, Shelley M. Davis of the law firm, Barker Rosholt & Simpson, LLP, and hereby moves this Court for leave to withdraw the Objections filed by the Boise-Kuna Irrigation District in sub-case numbers 63-356, 63-357, 63-358, 63-2663, and 63-21608.

The objections were filed in an effort to protect the legal status of waste waters belonging to the Boise-Kuna Irrigation District. In recommendations to this Court from the Idaho Department of Water Resources, one source of water listed in the above-referenced recommendations was listed as "drains." This reference to drains as a source for the right appears to have been included as the result of language used in the June 11, 1956 decree in *Nicholson v. Reynolds Irrigation District and Sproat*. However, after touring the property where the points of diversion are located, it is clear that the reference to 'drains' in the decree does not reference drains or waste ways belonging to the

Boise-Kuna Irrigation District, or any drains or waste ways visible upon an inspection of the property, and therefore, as no waste water of the Objector is implicated in the recommendation, the Boise-Kuna Irrigation District hereby requests leave of the Court to Withdraw the Objections to recommendations in sub-case numbers 63-356, 63-357, 63-358, 63-2663, and 63-21608.

Dated this 12th day of July 2007.
