RE: Completed Claim Needed for PRBA

Dear Claimants:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right. We are unable to recommend your adjudication claim to the Court for the following reason.

The Notice of Claim to a Water Right form was submitted on the front page of a long form and the second page is from a short form. So it is missing the Quantity of water you are claiming. I have filled out a short form for you based on the information I could get from your original claim. Please verify the information I filled in for you and fill in # 6 (The amount), #7 (Total quantity claimed), # 8 (how many homes this claim supplies), #13 (short explanation of priority date) and sign and date it on #15. The sections that are highlighted must be completed in order for the claim to be valid.

Please complete the form and return it to the Northern office at your earliest convenience.

Do not hesitate to contact our adjudication staff if you still have any questions or concerns.

Sincerely,

Dawn R. Lenon
