Testimony of Qualified Witness Regarding Water Rights

NE ¼ SW ¼, Sec 30 TWP 40N Rge 4W B.M., County of Latah

Be it known that the undersigned is a qualified witness, being very familiar with the history of this property, and having been on the actual property multiple times. There are many friends, family, neighbors and acquaintances who have known the property and property owners for many years. I am privileged to be among them and to provide this testimony.

I have been fully acquainted with the owners of the property even prior to the filing of the claims, in addition to knowing them well at the time of the water use claims being filed. I also have knowledge of the property and water usage prior to, and throughout the years following the filing of the claims. I testify in this signed statement that water usage has been as described in these claims. Water usage for domestic and mixed stock water purposes also have been proven, in historical records, to go back to 1918.

The address of the property was previously 2253 Sugar Plum Trail, and then changed by the United States Postal Service to 1021 Sugar Plum Trail. The location of the property to which the address change applies is exactly the same as the previous designation.
