A67-14104, & A67-14106

Dear Ms. Wright:

Thank you for calling IDWR this morning to inquire about the water right filings in the name of your father, Marvin Pound. I have enclosed printouts of the eight claims filed by Marvin Pound in the Snake River Basin Adjudication of Water Rights.

As we discussed, you need to complete a Notice of Change of Water Right Ownership to inform IDWR of the change in ownership of the water right claims. I have enclosed two copies of the form for you. Please be sure to read the form carefully and supply all required information.

You also mentioned that you need to obtain approval to change the point of diversion of one of your water rights. There are two possibilities for recording the change. If the change occurred in practice prior to November 19, 1987, you can claim that change in the Snake River Basin Adjudication by amending your claim to show the change. You will also need to supply evidence to support your claim that the change occurred prior to November 19, 1987. If the timing of the change is such that you can pursue this option, please contact the Adjudication Bureau of IDWR for assistance.

If the change occurred after November 19, 1987, or if you are contemplating a future change, you must file an Application for Transfer of a Water Right with IDWR. I have enclosed a transfer form and instructions for you.

If you have any questions, please contact me at 208-327-7946.

Respectfully,

Shelley Walter Keen
Water Rights Supervisor
