Comments:

1. csaxton 10/31/2002 NCO needed

Comment: This right licensed with two points of diversion. Field examiner notes state that one well used only for domestic and one for irrigation. Conversation with GK Matkin states that he uses both wells for irrigation and both are located on his property. However, there is not a home on Mr. Matkins property. But he says that the property just west of his belong to Susan Windham was not part of license 29-02402. Recommend both wells for irrigation use. No domestic use recommended.

2. csaxton 10/31/2002 IRRIGATION

Comment: Irrigation for parcel #: R4013054200, R4013054300

RE: CHANGE IN OWNERSHIP FOR 29-00274I AND 29-02402

Dear Ms. Windham:

It has come to our attention that you may have recently purchased a tract of land in Bannock County. According to our records, the property to which I am referring to was most recently owned by G.K. Matkin. The legal description is as follows:

T07S R35E S30 SE1/4 NE1/4

This property was filed on in the Snake River Basin Adjudication (SRBA). IDWR is currently in the processing of reviewing the Adjudication claims in basin 29. We recommend that if, in fact, you now own the property in question, and do use the water for the purposes claimed, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

If you have any questions regarding this matter, please call 334-2190.

Respectfully submitted,

Craig L. Saxton
