Mr. Jay Meyers

Pocatello, ID 83201

Dear Mr. Meyers:

In our recent telephone conversation you expressed concern that your claim to a water right for your well drilled in 1959 had not been accepted for filing because it involved Indian lands.

A review of IDWR's records shows the attached claim to water right number A29-02407 was filed on May 4, 1990. The claim is for 127 acres of irrigation from a well with a March 6, 1959 priority.

Please review the claim carefully. The claim is for use in Sections 29 and 30, Township 6S, Range 33E, B.M. The legal description you had given me over the telephone was parts of Sections 29 and 30, Township 6S, Range 34E, B.M. I checked this second legal description and could not find any 1959 water rights associated with it.

I did notice the address on this claim is not your current address and I have enclosed a form for you to use to change the address for your claim file.

Thank you for the information about your Bannock Creek property. I am hopeful we can complete the process of identifying the water rights of the BIA for the Fort Hall Reservation and get the entire Fort Hall Water Right Agreement before the Court before the end of the year.

If you have any additional questions, please feel free to contact this office.

Yours truly,

David B. Shaw
