Narrative by Cindy Bird

July 25, 2002

Photo 1. Looking west.

July 22, 2002 Craig Crandall accompanied me on the Crandall Farms adjudication field exam. Both water right licenses 29-2390 and 29-2414 are diverted from this well. The point of diversion and place of use under both licenses haven't changed from the original licensing exam. Photo 1 was taken at 3:55 pm looking west at the 150 hp pump. The serial number 1239901 is the same as the original U.S. Motor noted in the licensing examination in July of 1968.

This well operates two pivots and some hand lines. The hand lines are used to pick up the corners.

The GPS location of the well is N42 degrees, 51.482 minutes and W111 degrees, 55.523 minutes.

REF: Snake River Basin Adjudication (SRBA)
A29-2414, A29-2390 and A29-78A

SUBJECT: Under claimed water rights.

Dear Mr. Crandall;

My initial investigation of the Notice of Claim above indicates that your predecessors might not have fully claimed the water rights described in the licenses and decree upon which these claims are based. Licenses 29-2414 and 29-2390 included a stock water purpose of use that was not claimed in the SRBA. Also decree 29-78 was decreed at 1.75 c.f.s. on land currently owned by you but it was only claimed at 1.17 c.f.s. in the SRBA. If you believe that you have not fully claimed all of purposes of use, or the total amount of water, then you may amend your claims to fully claim the right as it was licensed and decreed. An additional filing fee may be required in some circumstances.

Computer-generated copies of your Claims are enclosed. If you wish to amend your claims, simply write in any changes in the appropriate spaces, initial the changes, sign the form and have your signature notarized, and return the claim to this office in the postage paid envelope by **January 21, 2002**.

This office must receive your response by the response date shown above. If you do not wish amend your Claims, then you may be deemed to have waived the right to claim any amount or purpose of use that were not claimed in your original Notice of Claim.

RE: Notices of Claim to a Water Right

Dear Mr. Hansen

Enclosed you will find two sets of copies of the Notices of Claim to a Water Right that you and I worked on during your visit to this office, Wednesday, January 17, 1990. One set has been marked 'State Copies' and the other has been marked 'Personal Copies'.

Please check over each copy carefully for any errors that may have been made. Please remember that these will be your notices of claim that will be presented to the Fifth District Court. Then sign each of the 'State Copies' in front of a notary and return them to this office with your payment of \$3051.00.

Please remember that the filing deadline for Caribou County is February 15, 1990. Be sure to return your notarized 'State Copies' with your payment before then to avoid any late fees. The 'Personal Copies' are for your records.

The fees have been calculated as follows:

Claim	Source		Fee
A29-00112	Toponce Creek	(411 acres)	\$ 461.00
A29-00113A	Toponce Creek	(overlaps A29-00112)	50.00
A29-00114A	Toponce Creek	(overlaps A29-00112)	50.00
A29-10178	Toponce Creek	(overlaps A29-00112)	50.00

One item that may be of interest: There is a payment plan available for fee totals in excess of \$1000.00. The interest rate is 10.00% and payments are due once a year for five years. If you are interested, the payment due with the notarized 'State Copies' would be \$610.20. Again, both your payment and the 'State Copies' need to be returned to this office by February 15, 1990 to avoid late fees.

There is also a situation that you need to be aware of. Several of the decreed water rights you are claiming from Toponce Creek have been previously claimed by Ross D. Redford. Involved are the water rights you are claiming as the basis for notices of claim A29-00113A, A29-00114A and a portion (2.30 cfs) of A29-10178.

If you have any questions, feel free to give me a call at this office. The phone number is 525-7161.

Sincerely,

Paul R. Meyer
