Remarks: This well is situated on 12.43 acres located in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ and NE $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 31, T. 7 S., R. 35 E.B.M, and is to be used for domestic and irrigation for approximately 8 acres. The balance of the tract is too rocky to irrigate. We intend to use the water on approximately four acres this year and on the remaining four acres within the next three to four years. There will be no waste or run off as we intend to sprinkle.

We have requested five years owing to the fact the other four acres needs a lot of work. Prior to our ownership some one attempted to clean the brush off, however, just left it in piles and the brush has grown up again, hence it needs to be cleaned off again before it can be used to good advantage.
