Re: Permit No. R-965

Mr. William Orville Thompson
Downey, Idaho

Dear Mr. Thompson:

This acknowledges the Notice of Proof of Application of Water to Beneficial Use under Permit No. R-965. The proof is to be made at 10:00 A. M., on the 6th day of January, 1959, before Ben Bowen, Notary Public, at Downey, Idaho.

As of this date we have mailed the Notice to the Downey Comet, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then to mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

Re: Permit No. R-965
William Orville Thompson

Attention: ~~Gus Carr Anderson~~
Dear Mr. Anderson:

This is in answer to your letter of December 20, 1958, enclosing an Objection in the matter of the Application of Water to Beneficial Use under Permit No. R-965.

You state that the Objection is made by Wayne Penrose, Floyd Wilding and Willis Brim, stating that the waters of Yago Creek have been duly appropriated and used for the last 50 years and no water is available for further appropriations.

The waters of Yago Creek were filed on by Mr. William Orville Thompson, of Downey, Idaho, for storage purposes to be used for filling a reservoir of 30 acre feet capacity. Under the terms of Permit No. R-965, applicant would have the right to fill the reservoir during non-irrigation season or during the flood water season, when the filling of the reservoir would not interfere with any prior rights of Yago Creek.

We assume your clients use the waters of Yago Creek for irrigation purposes, if so, their right is restricted for use during the irrigation season.

Providing a valid protest is filed against ~~the~~ applicant, holder of Permit No. R-965, we would prefer an affidavit signed under oath, ~~signed~~ by your clients.

Very truly yours,

GEO. N. CARTER
