Re: Adjudication Claims 29-4012A, 29-4012B

Dear Water User:

We are now investigating Adjudication Claims in Administrative Basin 29. My assignment is to make an accurate determination of the use of this water right up through November, 1987. Based upon this determination, I will make a recommendation to present to the Snake River Basin Adjudication Court.

I need your help to document the usage of these two water rights. Use of the water up through 1970 is adequately documented, but I have very little information on use from 1970 up through 1996. Of particular interest is usage in the years 1986 and 1987. If you could document the nature and extent of water use in those two years, it would help me make an accurate recommendation of your water right. Affidavits from former owners or employees of the hatchery, or former neighbors, would be very useful. Production records or aerial photos may also be useful, though I cannot get much out of my 1987 aerial photos.

The enclosed pamphlet gives some guidance on sources of documentation. If you get affidavits, be sure the affidavit clearly shows the person is speaking from personal knowledge (I saw...) and provides enough details of dates and locations that we can be sure it refers to these particular claims. In general, the more detail, the better.

For your convenience I have enclosed copies of the original claims.

Please call me at 525-7161 if you have questions. I am usually in the office later in the week, but not usually on Monday or Tuesday.

Sincerely,

Bryce A. Contor
Senior Water Resource Agent

MEMORANDUM

May 20, 1999

TO: Eastern Adjudication Unit
FROM: Cindy Hodges, Water Distribution Section *cyh*
RE: Claim Nos. A29-04012A/04012B

The attached memo is in regard to the above claims filed by Roger Ferguson. Mr. Hart is Ferguson's accountant and representative.

I solicited the information in response to Mr. Ferguson's petition for exclusion from the East Water Measurement District. Unfortunately, the nature of the information indicates a possible forfeiture of these rights and the memo should be placed in the claim file.

I have also forwarded to Mr. Hart a Change in Ownership form, as Crystal Springs Inc, the name on the claims, appears to have been dissolved.

Please check with me or with Lewis Rounds if you have any questions.
