RE: Snake River Basin Adjudication (SRBA) 29-04195

On April 2, 2001 I sent you a letter requesting information regarding claim 29-04195 (enclosed). Among other things, one of the items I requested was evidence of priority. In further review, I feel that the evidence you provided is enough to support the priority date claimed. However, I still have some questions that need to be answered. I have tried to contact you by phone but the number in my files is disconnected.

Please contact me or send me a written letter explaining the last time you used the South Fork of Pocatello creek water for irrigation and a detailed history of the historical water use. In order for me to make a favorable recommendation for this claim, you need to contact me or submit the requested information by **November 2, 2001**. This is the second and final notice.

Please contact me at 525-7161 if you have any questions.

Respectfully submitted,

RE: Adjudication claims 29-07594 and 29-04195

Dear Mr. and Mrs. Hall:

The department has recently begun to review Snake River Basin Adjudication claims in Basin 29. Claim 29-07594 is based on a license and claims uses for Domestic, Stockwater, Irrigation of 1.2 acres (enclosed). I do not see any potential problems recommending this claim as licensed.

Claim 29-04159 claims Stockwater use and Irrigation of 1 acre (enclosed) from South Fork Pocatello Creek with a priority date of 1950. You provided a notarized statement from yourself as evidence of priority. I am afraid I cannot accept a statement from yourself, the claimant, as proof of priority. To use an affidavit as evidence, it would need to be from a neighbor or some other third party. I am enclosing a pamphlet that lists some examples of documents which may be evidence of Priority.

In addition, is the one acre of irrigation the same area covered by 29-07594? Or is Pocatello creek water used to irrigate an additional acre resulting in 2.2 acres of irrigation between your well water and surface water? If so, where is the additional acre of irrigation?

Please return evidence of priority for 29-04159 with an explanation of your Pocatello Creek water use to this office at your earliest convenience.

Please feel free to contact me at (208) 525-7161 if you have any questions.

Sincerely,

Craig Saxton
Water Resource Agent

Re: A29-04195

To Whom It May Concern:

I, Cordell David Hall, wish to confirm the priority date for A29-04195. My father bought the land in the fall of 1949 and the following spring and summer used water for irrigation and stockwater. The first years the garden was watered by a Diversionary Canal. Later, approximately 1960, a pump was installed.

Sincerely,
Cordell David Hall
