Subject: Notice of Claim to a Water Right

Good Morning Ms. O'Malley,

I am writing you about your Claim to a Water Right you have submitted. I tried to call you, but it seems the number has been disconnected.

The claim you submitted was filled out on the first 2 pages of a long form and I believe based on the information on them, it should have been done on a short form. If that is the case, we will need to refund you \$75. There is also missing information that I will need from you in order to make this claim valid. If you could please call our office and ask for me before August 16th, I will fill out a short form for you over the phone and mail it to you so you can verify everything is correct and sign and date it. Then you will need to return it to our office for processing.

If I don't hear from you before August 16th, I will return your original claim to you with instructions on what is needed.

I apologize for the inconvenience, and look forward to hearing from you.
