RE: Evidence of Priority
Claim #A29-04315A (Theon & Tamra S. Hall)

TO WHOM THIS MAY CONCERN:

In 1949, my Father bought the land on Pocatello Creek (See attached Deed). From the very beginning he used water from a spring on the property, for drinking and cooking, and the creek water for cattle, pigs, chickens, and all the livestock that make up a small, Family farm. Water for irrigation for fruit trees and garden was taken from the creek by syphon, check Dam, Water Wheel, Gasoline and Electric Pump.

Evidence of some still exist, some have been destroyed by changes in the creek flow. Everybody that could confirm this is dead. I'm about the last old timer.
