RE: PRIORITY EVIDENCE

Dear Neal and Betty,

The Idaho Department of Water Resources has recently begun its water right review in Basin 29. The Notice(s) of Claim identified with the number shown above in the "address" label and at the "end" of this letter has been filed in the Snake River Basin Adjudication (SRBA).

I have been reviewing your file and found the evidence of priority you submitted on 3/29/1995. I have enclosed a copy of this affidavit for your convenience. **This letter supports a priority date of 1973 based on your directly knowledge of the water use.** Idaho Code, Statute 42-229 states that any use of water from a groundwater source beginning after March 25, 1936 must be perfected by application permit and license procedure.

What this means is in order to make a favorable recommendation for your claim, **you need to provide evidence of beneficial use prior to March 25, 1963.**

In the affidavit you provided for Evidence of Priority you stated, *"We were told that Marvin Tabar drilled the well about 1948."* I would encourage you to get an affidavit from the person that gave you that information. Another option would be to get affidavits from local residents in the area that had first hand knowledge of water use at least prior to March 25, 1963.

Please feel free to contact me at (208) 525-7161 if you have any questions. You may also contact an Adjudication Agent in the Boise office of IDWR at (208) 327-7900 if that is more convenient.

Respectfully Yours,

EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication(SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is know as the **PRIORITY DATE**, has not been confimed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. **As the claimant, you are responsible for submitting the necessary proof to support the PRIORITY DATE.**

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
