Re: Claim # A29-04470 (Evidence of Priority)

Dear Mr. Carlson:

In studying the pamphlet you enclosed with your letter of
Jan. 3, 1995, we chose the affidavit method to send you
for proof of priority date.

Since we do not plan to be in Idaho until April, we thought
we should act on this now, as we feel this water right is
very important to us,,and our families.

Enclosed is two, (2) affidavit's, which will support the
water claim, from people who lived there, myself and Milt-
-Bullock....going back to the early 1900's...etc.. We hope
this will be enough for your records, etc... and if not,,
please keep me informed.

Thank you, and

Regards,

Lloyd L. Armstrong

Re: Claim #A29-04470 - Lloyd L. Armstrong,
Statement to support the Priority Date:

Department of Water Resources
Eastern District Office

In my statement to show evidence of Priority, (Water Right -
- A29-04470), I'll give some history going back some 58-years.

I was raised on the farms operated together by my Grandfather-
-(George E. Glover) and my father, (St. George Armstrong) in
a community then called, Robin, Idaho, (Gen. Post Office) the
address now being used is, "Glover Road", Arimo, Idaho.

At that time my father owned the property east of Henderson Rd.,
(claim--A29-04470)... He was a cattle-man and housed cattle
and livestock, grew Alfalfa for hay, and operated it for 46-years
until his death.

During my youth I worked in the fields at the property we called
"The Glover Homestead" (now called the Robin Farm) with the
above claim number. My duties included all phases of farming,
irrigating, harvesting of alfalfa and other crops, feeding and
watering livestock in the pasture area to the spring...and was
my primary responsibility for the work completed at this location.

Each April, (spring-time) it was routine to clean the water-
-beds, (of this water-right)(ditches,etc.) so the water would
run freely and not be wasted. This experience gives me first-hand
knowledge of beneficial use, and of the Priority Date.

To emphasize the importance of the water in that area. Everyone
in the community of Robin, Idaho knew who had water-rights, how
much, and when established. Water was the number "1" topic, and
was vital to the survival of each family,,,protected by one's life
if necessary. If there was any dispute, it was usually over water.

Enclosed is a 2nd. affidavit from a neighbor, Mr. Bullock,,Along
with my experience should give evidence of priority, dated 4-01-1905..
Also, this information was showed, and discussed between family
members with Geo. Glover, and when ownership changed.

Re: Claim #A29-04470 - Lloyd L. Armstrong

This is my affidavit in reference to property now owned by -
- Lloyd L. Armstrong and a water right claim, (#A29-04470),
to give proof supporting the Priority Date.

We were neighbor's of George E. Glover and St. George Armstrong,
previous owners of the property in stated claim. As a neighbor
I have personal knowledge of beneficial use of the water right
for irrigation and stockwater, and will verify that the Priority
date, (4-01-1905) established by George E. Glover is correct.
