

AMENDED DIRECTOR'S REPORT

Subcase No. 95-9036

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Carter Fritschle, Manager, Adjudication Section

August 30, 2019

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On August 2, 2018, IDWR filed a Director's Report for Hauser Lake Heights Homeowners Association's Water Right No. 95-9036, for municipal purposes. No objections or responses have been filed, and the objection and response deadlines have passed.

IDWR has identified inadvertent errors in the Director's Report in the Place of Use element and the Explanatory Material for Water Right No. 95-9036. The inaccuracy in the POU is the reference to the public water supply system as "Hauser Lake Heights Water Association." In its place, the correct public water supply system should read "**Hauser Lake Heights.**" Additionally, the Public Water Supply ID in the Explanatory Material should be changed to "**128029.**"

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).
