

AMENDED DIRECTOR'S REPORT

Subcase No. 95-10485

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources

Gary Spackman, Director

Carter Fritschle, Manager, Adjudication Section

August 29, 2019

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On August 2, 2018, IDWR filed a Director's Report for the Murdock Family Trust's Water Right No. 95-10485, for irrigation and stockwater purposes. No objections or responses have been filed, and the objection and response deadlines have passed.

IDWR has identified an inadvertent error in the Director's Report in the Season of Use element for Water Right No. 95-10485. The original recommended Season of Use for irrigation and shoulder remark are inconsistent with each other. The shoulder remark should be changed to show that the licensed season of use ends on October 15, rather than on October 1. The shoulder remark has been modified as follows: "The use of water before June 1 and after **October 15**, under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right."

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).
