RE: LETTER DATED APRIL 1990

Dear Sir,

We are sorry for the delay in responding to your letter dated April, 1990. The letter was apparently misfiled, and the error was not found until recently. The delay does not in any way affect the requirements needed by the Department regarding the the Notice accompanying the letter.

We are unable to find any receipt concerning A29-07241, Charles Frandsen, or, Sunny Acres Trust. If you could send us some documentation of proof that a filing fee was paid, we will process the Notice. If you cannot find proof that the fee was paid in 1990, fee needs to be paid at this time. The filing fee will be \$50.00, plus \$1.00 per acre.

I have also enclosed a copy of the original license #29-07241 that shows the place of use, point of diversion and diversion rate. The property you have claimed is not the same as licensed, and, also seems to be an expansion of at least 40 acres. If more than 94 acres were irrigated prior to Nov. 1987, another claim would have to be filed as an expansion of A29-07241. The filing fee for this expansion claim would be \$50.00 plus \$1.00 per acre.

Please send any documentation or claims within 30 days of this letter. If you have any questions regarding this matter please do not hesitate to contact this office.

Respectfully submitted,

Gregory J. Taylor
Senior Water Agent, Adjudications
